

## **Alliance Ivoirienne pour l'Habitat, AIH**

(member October 2013)

### **The objectives of AIH:**

1. defend applicants and users of housing, including the habitat, the environment, urban planning and in the exercise of their citizenship;
2. help unify, coordinate and represent at national and international level, the users of housing:  
tenants, owners, home buyers, residents, the disadvantaged or socially excluded, in order to improve and make good housing conditions, environment and security
3. propose to government realistic alternatives on housing schemes for excluded households ;
4. implement all actions required to promote, defend and enforce, the right to housing and housing rights, the active participation of applicants and users of housing in all its aspects and the participation of all citizens in solidarity;
5. help people exposed to floods and landslides in housing;
6. help families who are homeless or live under the daily threats of eviction;
7. contribute to the preservation of historic cities and neighbourhoods of Côte d'Ivoire;
8. propose preventive measures against natural disasters and against nuisances (pollution and noise).

AIH's General Assembly meets once a year.

AIH is a national organisation, and was founded in 2008

AIH is funded by grants from membership fees (30%), and contributions (70%)

Alliance Ivoirienne pour l'Habitat, AIH, applied in Oct. 2013 for category B Membership
