

## Urban Tenants Association of Kenya

The Association's goal is to mobilize and bring together all people who live under rented premises with a view to advocate for peaceful and conducive living and working environment.

Its mission is to provide knowledge through seminars, and advocacy for the provision of welfare services, educational and environmental services, to urban tenants in Kenya.

The Association also aims at providing clean water in to the households in slums.

The Association has published a 97-page Tenant's Guide - Know your Rights handbook.

Author: Ephraim Murigo

Eligible members are all tenants in Kenya who accept and adhere the society's objectives and policies.

Annual General meetings held once a year.

Founded in 2009, as Urban Tenants Association, renamed in 2012 as Urban Tenants Association of Kenya.

Membership with IUT granted April 19, 2013
